

**Aries** March 21 - April 19

You grow, expand and explore the world in December. The holidays take on special significance this year. You could spend the holidays in a foreign country; either learning or working on your tan. Whatever you do, it's going to be memorable. January brings you back to earth, where your career really shines. You're on top of your game, noticed by bosses or recognized for innovative thinking.

**Taurus** April 20 - May 20

Shared resources, taxes, inheritances occupy you in December. You're undergoing change in these areas, as well as going deeper into yourself during the holidays. You broaden your mind in January, possibly through travel, education, searching for purpose not only for your own life, but the purpose of life – period. Happy hunting!

**Gemini** May 21 - June 21

Plenty of opportunity and activity in the relationship sector of your chart in December. Someone from your past may re-appear or you see them through new eyes. January brings a desire to go deeper than you have before. Your radar is pretty sharp now. You'll be dealing with money issues in January. Whether it's yours or someone else's, this is an area of life that needs to be examined and cleared up.

**Cancer** June 22 - July 22

Work, service and healing dominate your landscape in December. Your urge to help is at its peak. This is probably the best month of the year for assisting others with either time and/or money. In January, your relationship / partnership area heats right up. Get out, be friendly and approachable if you're single and looking. If you're attached, your partner is especially attractive to you and you to them!

**Leo** July 23 - August 22

December is a delightfully playful, creative month for you. If you have children, you receive love and inspiration from them. Home-made ornaments, cards, etc., bring joy not only to you, but the recipients as well. January brings you back down to earth – looking at self-improvement, diet and exercise. A good month to start anything as you're able to stick out the crucial first 30 days!

**Virgo** August 23 - September 22

Home is where your heart is in December. This could involve re-decorating, parties at home, or cementing relationships (and forgiveness) with family. January brings opportunity to create, be romantic and have fun, just for the joy of it. Children figure prominently this month, whether it's your own or you being a kid again; take time out to drop out and create

**Libra** September 23 - October 23

You're king or queen of the card-sending, emailing, communicating world these holidays. This month, as is the season, a time for connecting and remembering the happiness and challenges of the past year. January slows things down, bringing your focus on home, whether it's decorating, or cocooning – make time to be with family. You recognize the importance of family and family history.

**Scorpio** October 24 - November 22

At the risk of sounding crass, it's all about the money for you in December - it's the best month of the year to rake it in or open yourself to opportunities to gain more. As the Buddha said, money is not evil, it's the attachment that causes problems. In January you open up, meet new people and communicate with everyone..There's a possibility of returning to school or taking night courses. Your mind is especially keen, curious and friendly.

**Sagittarius** Nov 23 - Dec 21

You're confident, have faith in yourself and the world this December! This is the best month of the year for money, love and self-acceptance. Increased acceptance of yourself, enables you to do what you thought you couldn't: break away from old patterns and situations – you've nowhere to go but up! January brings a shift in values and ushers in a year long period of increased income as well as solid plans to create more wealth.

**Capricorn** Dec 22 - Jan 20

December is a mystical, creative, compassionate month for you. You desire to help others. Pay attention to dreams and little sign-posts along the way for clues as to what makes your spirit sing. If something doesn't sing, it's not your song. In January you emerge from your cocoon, feeling bright and confident. January will likely be your best month this year, so make hay while the Sun shines

**Aquarius** Jan 21 - Febr 18

Dec. is great month for socializing – getting out and about; enjoying time with friends. Accept and extend invitations in your luck. January tones things down a bit. After the frenzy of December ends, you turn more inward, searching for meaning and your own true, Higher Power. Meditation and quiet reflection, finds you forgiving others as well as yourself.

**Pisces** February 19 - March 20

December is lucky for you in work/career/social status matters. Shoot higher and you find you're accepted and respected more than you knew. January brings in a more social theme. You experience a certain sense of "luck" from friends and your social circle. Joining groups of like-minded people with an eye to making the world a better place is very rewarding.
